EDUCATION

SRM Institute of Science and Technology, Ramapuram *Chennai, India*

B.Tech — Computer Science and Engineering *Expected May 2028* · CGPA: 9.98 / 10

EXPERIENCE

Python Developer Intern · Cybernaut EdTech *Nov 2025 – Present · Remote*

- Building full-stack Python applications using Flask, contributing to backend architecture and REST API development
- Developing and maintaining web features across the stack, integrating Python services with frontend interfaces
- Collaborating on real-world EdTech product features in a remote-first engineering team

AI Intern · Corizo Edutech Private Limited *Aug 2024 – Dec 2024 · Remote*

- Applied ML and Deep Learning techniques to build AI-powered features for EdTech products
- Worked on NLP pipelines, model training, and evaluation using Python, scikit-learn, and TensorFlow
- Completed full 5-month project cycle from data preprocessing through model deployment

Technical Lead · SlugNPlug *Aug 2025 – Present*

- Driving technical vision and architecture decisions while balancing hands-on development with team leadership
- Mentoring team members across full-stack and AI domains; hosted and coordinated multiple technical events

Sales & Marketing Representative · Maiyyam *Apr 2025 – Aug 2025 · Remote*

- Executed digital marketing campaigns and managed client outreach, driving product awareness and engagement

Freelance Video Editor & Photographer · Self-employed *Jan 2024 – Present*

- Delivered high-quality visual content for clients using Adobe Premiere Pro and Veo 3 across 2+ years

PROJECTS

SpeakRightAI | *FastAPI · OpenAI Whisper · React · Docker · NLTK 2025*

- Built a real-time AI pronunciation coach analyzing speech at the phoneme level using Whisper + CMUdict — beyond simple text matching
- Implemented a custom scoring engine with granular feedback and session-based progress tracking; fully dockerized for one-command deployment
github.com/RR-1902/speakrightai

CampusPulse | *Next.js · FastAPI · TypeScript · SQLAlchemy · Recharts · JWT 2025*

- Architected a multi-role campus management platform (Admin · Faculty · Student) with JWT auth, role-based access, and live attendance workflows
- Built analytics dashboard with Recharts; includes placement notices and complaint portal — production-grade FastAPI + Next.js architecture
github.com/RR-1902/attendance-campuspulse

CancerDetect | *TensorFlow · Keras · MobileNetV2 · Flask · scikit-learn 2025*

- Trained a histopathology cancer image classifier using MobileNetV2 transfer learning on 157,572 balanced images
- Flask web app with three-tier risk scoring (Low / Medium / High) from prediction probability with real-time image upload and inference
github.com/RR-1902/cancerdetect

WELP.AI | *Flutter · Dart · AI/NLP · REST APIs 2026*

- Built a cross-platform mobile AI interview simulator — advanced evolution of a web-based job interview sim — using Flutter and Dart
- Features role-specific question generation, real-time AI feedback, and performance analytics to help candidates practice under pressure

HACKATHONS & COMPETITIONS

Smart India Hackathon 2025 (SIH) · Ministry of Education, Government of India 2025

- Selected at inter-college level for problem statement: Gamified Learning Platform for Odisha Government School Students
 - Built 'InnoQuest' — an interactive gamified education platform designed to improve learning outcomes for school students through game mechanics, rewards, and curriculum-aligned content
 - Competed against multiple teams across institution; reached college-level finals
-

TECHNICAL SKILLS

Languages: C++, Python, JavaScript, TypeScript, Dart

Frontend: React.js, Next.js, Tailwind CSS, Flutter

Backend & Databases: Node.js, Express.js, FastAPI, Flask, MongoDB, SQLite, SQLAlchemy

AI / ML: OpenAI Whisper, LangChain, NLTK, scikit-learn, TensorFlow, Keras, RAG Pipelines, NLP, EDA

Tools & Platforms: Docker, Git, GitHub, Postman, Vercel, Adobe Premiere Pro, VS Code

Currently Grinding: DSA with C++ — Striver A2Z Sheet

LEADERSHIP & ACTIVITIES

Class Representative · SRM IST Ramapuram — CSE Dept. 2023 – Present

- Elected CR; primary liaison between students and faculty for academic coordination and administrative matters
- Organised and coordinated departmental events, workshops, and academic sessions

Media Lead · Reflections — Official Art Club, SRM IST Ramapuram 2024 – Present

- Heading media division of the college art club — managing photography, videography, and visual content for all club events
 - Produced promotional materials and event coverage using Adobe Premiere Pro and Veo 3
